Hold for vol 3

INDEX TO VOLUME IV

TELEPHONE ENGINEER

July 1, to December 31, 1910

A

Anglo-French Loaded Cable, The. By R. White Lindsay.....25-26
Another Mine Telephone Bulletin..... 42
Another Wild Corporation Tamed..... 58
Another "Telephone City"..... 62
Another Automanual Installation..... 185
An Aqueduct Telephone System..... 194
American Electric Fuse Builds New Factory.....41-42
American Magnet Wire.....178-180
American Telegraph Engineering. By William Maver, Jr., and Donald McNicol 55-58
Appraisals of Telephone Properties (Editorial)..... 3-5
A. T. & T. Acquires Michigan State..... 58
Automatic Indications of Trouble. By L. W. Carroll..... 90
Automanual and Telechronometer Combine..... 185

B

Bell Inspects Australian System, A. G..... 186
Big Submarine Telephone Cable..... 92
Book Reviews 137
Booklet on Enameled Wire..... 138
Boston Rates Being Regulated (Editorial)..... 146
Brevities of the Business...43-48, 93-96, 140-142, 187-188, 231-234, 279-284
British Telephones Under Government (Editorial)..... 100

C

Caveats Abolished 89
Cast Iron Permanent Magnets..... 92
Cedar Rapids, Iowa, Installation, The. By Gifford Wheeling..... 5-6
Census Report on Telephones..... 24
C-A-Wood-Preserver Active 137
Changes in Insurance Rates..... 244
Chesapeake Bay's Submarine Cable. By Frances O. Marden.....109-110
Chicago Telephone Investigaters Busy..... 58
Chicago Independents Get Exchanges..... 60
Chicago Subway Making Progress..... 140
Chicago Independent Situation, The..... 202
Chicago Trade Press Discusesses Telephones..... 206
Christmas Telephone, The (Editorial).....235-236
Clay Product in Underground Work..... 186
Clark Talks About Poles..... 155

Constantinople Concession, The..... 64
Convenient Test Clip, A..... 92
Connection in Oklahoma..... 112
Conditions of Telegraph Transmission (Editorial)..... 144
Construction News 281
Concrete Poles (Editorial)..... 191
Combined Safety and Slack Strap..... 230
Compulsory Interconnection. By Theodore Gary.....247-248
Commission Investigates New York Rates..... 248
Commission Control in New York State..... 54
Competitive Test of Telephone Dry Batteries.....181-182
Correction, A..... 186
Correction of Incivility, The (Editorial).....99-100
Cumberland Company Fined by State..... 68

D

Department Store Has Night Service..... 64
Department of Railway Telephones.....
.....35-40, 77-89, 127-135, 169-177, 215-227, 263-274
Digest of Foreign Telephone Literature.....253-255
Depreciation (Editorial) 4
Diaphragm Vibrations (Editorial).....50-51
Dictating Letters by Telephone..... 110
Difficulties of Commission Supervision..... 160

E

Early Telephone Development. By W. H. Gunston.....114-115
Electric Storage Battery Booklets..... 42
Engineering in 'Frisco (Editorial)..... 2
End of the Hulfish Series (Editorial)..... 3
English Telephone Rates..... 152
Engaging a Prima Donna by Telephone..... 246
Employment Department, An (Editorial)..... 238
Equipment at Roswell, New Mexico. By Gifford Wheeling.....193-194
Ericsson Literature..... 236
Exclusive Contracts Held Void in New York..... 34

F

First Protest for Interstate Commerce..... 200
First American Loaded Submarine Cable..... 68
Financial Items.....45, 95, 188, 234, 281-282
Foreign Trade Opportunities..... 182
Foreign Telephone Communication..... 252
Fowle on Depreciation..... 158
Franchises Asked and Granted.....45-46, 95, 282

G

Glasgow's New Exchange. By Alfred H. Rice.....161-162

H

History of the Bell System (A. T. & T. Co. Annual Report).....67-68
High Resistance Measurements. By Prof. Arthur J. Rowland.....165-166
How to Read Telephone Circuit Diagrams. By David S. Hulfish..... 7-8
Hydro-Electric Phenomena 22

I

Illinois Tunnel Company Warns City..... 250
Interstate Commission Regulation (Editorial)..... 1-2
Intercommunicating Telephones on the Coast..... 41
In the Market.....43-44, 93-94, 141-142, 188, 232-233, 279-280
Indispensability (Editorial) 52
Interesting Power Plant Bulletin..... 92
Independents in New York..... 92
Injunction Against Telephone Merger..... 108
Inspecting and Testing Telephone Sets. By E. A. Hawkins.....139-140
International Electrotechnical Commission..... 148
Indiana Steel Busy.....185-186
International Conference at Paris.....239-244
Interstate Commission Takes Up Rates..... 244
Impregnation of Standing Poles. By H. H. Bement..... 199
Improvements in Picture Telegraphy. By Dr. Alfred Gradenwitz...106-108
Items of Legal Interest. By Ralph M. Loring.....16, 74-76

J

Jackson's View of Depreciation (Editorial).....51-52
Johns-Manville Changes Locations..... 42
Joint Poles Tabooed (Editorial)..... 146
Joint Construction (Editorial).....236-237

K

Kalispell, Montana, New Common Battery Exchange.....135-136
Kellogg Contracts 41
Kellogg Gets Cape Girardeau, Mo..... 91
Kellogg Gets Raleigh Contract..... 180
